

## **THE COLLIER COUNTY FAIR'S NEWLYWED GAME**

Husbands and wives drag secrets down the aisle in this couples game in which husbands and wives are separately asked the same questions and have to predict how their spouses will answer. Where matching your mate earns big points towards a Grand Prize.

Each entry will be \$25.00 per couple. Couples interested in participating must register ahead of time for there is limited space. Please call the Fair office at 239-455-1444 Monday thru Friday 9:00 am to 4:00 pm closed holidays. No minor under the age of 18 will be allowed to participate.

In the event of a tie each couple will predict the total points they will earn at the game. The couple that has the closest guess without going over their actual total wins. If all the tied couples go over the couple who had the closest guess will win.
